

Pool Changes/Pool Release Waiver

The Board would like the membership to know that due to staffing issues at the pool we will be making some temporary changes.

We spoke to our insurance carrier, and we can keep the pool open with SWIM at YOUR OWN RISK. Provided we follow certain guidelines.

We will still have gate attendants present.

All rules must be followed.

Hours will be the same .

The membership will have to sign a release waiver every day you enter the pool starting Monday, August 17, 2026.

We hope the membership will cooperate and be supportive as we navigate this situation.

Thank you

BCLCA Board of Directors
