I have been the Treasurer for BCLCA for the past 3 years. As Treasurer, I started the Treasurer/Membership informational meetings where the membership could ask questions concerning the budget and line items, income, and expenditures. I felt it was extremely important for members to have an opportunity to share their thoughts, questions, and concerns. As Treasurer, I continuously moved money in order to obtain a better rate of return on Association funds. I have always been forthright and straightforward explaining to the membership what I thought was the best approach in handling the Association's funds, as well as what to expect for the future. My wife, Debbie, and I have owned in BCL for 35 years. We have 2 grown children and 2 grandchildren. I am currently a part-owner of a large carwash company and, prior to that, was the President/Owner of a Pension Consulting Firm for 25 years.
