

## **Bear Creek Lake Fishing Guidelines & Rules**

Fishing guidelines, per hired consultant:

- No harvest of any largemouth bass
- No harvest of walleye

Fishing rules (from BCL rulebook):

- BCLCA currently limits the number of fish kept by each person to four (4) within a 24-hour period. Any small fish caught to be used as bait count toward the daily limit.
- The only live bait permitted in Bear Creek Lakes are worms, nymphs, larvae, and pupae of any insect spending any part of their life cycle in Bear Creek Lakes waters.
- Fishing is not permitted at beach areas.
- Fishing is not permitted from the dam, the breast of the dam, or at beach areas.
- Anyone fishing must possess and display a current PA fishing license, as well as a current BCLCA Member badge.
- All PA State Fishing Regulations (including seasons) apply to Bear Creek Lakes.
