

SAY **NO!** TO THE PLANNED DATA CENTER

SUBSTANTIVE VALIDITY CHALLENGE

Monday, August 17, at 6:30 p.m. at Penn's Peak

Please make your presence be felt. Make your concerns be known.

THIS IS IMPORTANT, PLEASE PARTICIPATE.

Negative Impacts:

- Property Values Plummet
- Water Depletion
- Water and Air Pollution
- Constant Vibrations and Noise
- Higher Electric Bills
- Bright Lights Flooding the Night Sky
- Wildlife and Environment Damaged

Take Action:

- Show up and fight like hell!
- Pressure our elected officials
- Raise money to fund attorneys and experts
- Plan and strategize
- Coordinate and act as a community

A MESSAGE FROM THE BCLCA DATA CENTER COMMITTEE

Our Mountain. Our Lake. Our Way of Life. Too Important to Lose.
