### **Bear Creek Lakes: Four-Season Living**

Vacation fun and year 'round living begin at Bear Creek Lakes. Lying in the scenic Poconos, 1500 feet above sea level, Bear Creek Lakes proudly takes its place high in the roster of America's finest vacation communities.

Bear Creek Lakes is a complete community in itself—where you own your own home with the charm of rustic living combined with the comfort of modern facilities.

Located along Rt. 903, just eight and one half miles from the Mohoning Valley Turnpike interchange, Bear Creek Lakes is convenient to the finest skiing and recreational facilities in the Poconos. Close at hand a 26,000 acre game land #141, offers the finest grouse, rabbit, ring neck pheasant, squirrel and deer hunting to be found anywhere. Three miles of shoreline surrounds Bear Creek Lake, center for sailing, rowing, and canoeing fans; native and rainbow trout fishing is great in this lake.

When you arrive at Bear Creek Lakes you'll feel as though the cares and worries of the world are miles away. Yet, you're only a few minutes (8½ miles) from the Northeast extension of the Pennsylvania Turnpike—just minutes away from the towns of Lehighton and Jim Thorpe, where you will find full shopping facilities, churches of all denominations, and progressive school systems. Via the Turnpike you're a short drive from New York . . . Philadelphia . . . Wilmington . . . and Northern Jersey. But in your mountain retreat you are worlds away from the hustle of the city.
