

PRESIDENT'S CORNER- May 6, 2022

Kevin G. McGrath

May Meeting Dates-May Board Meeting on the 21<sup>st</sup>

Our regular May Board meeting will be held on the 21<sup>st</sup> of the month at 9:00 AM in Stewart Hall and on Zoom. The meeting will include a presentation by MRH Management Company. They will explain their services and how they could assist the operations of our community. Owners and board members are invited to participate in a short Q&A session following the presentation. Members should be aware that the board has not made a decision to hire a management company; we are still seeking more information. The search committee has interviewed three companies and at this point MRH seems to best fit our needs. We ask that you limit any questions for the May board meeting to those regarding MRH's proposed services. We will also be discussing the recent petition that was delivered to the board regarding short term rentals. Rich Berger has been invited to participate in the board meeting to further explain the petition.

Open Informational Board Meeting for all members on May 28<sup>th</sup>

We will also be holding an open, informational Board meeting on May 28, 2022, from 10:00 AM to Noon at the firehouse. This meeting is open to all members in good standing. The board will present committee reports and members will have the opportunity to discuss various matters regarding the community, including the possibility of engaging a management company. The entire meeting will be open for member engagement and member questions and comments.

I look forward to seeing you at the upcoming meetings.
