- Convenient customer portal providing 24/7 account access, online ordering and online bill pay
- Automatic bill pay options are also available

Individual residents of the community may at any time negotiate special pricing with SPP outside this offer. SPP agrees to provide the above stated pricing for one year to begin May 1, 2022 and end April 30, 2023. This is not a binding agreement between parties. This is a special price offer available to the residents of the above named community.

*Fixed price valid through 4/30/2023. *Payment terms net thirty days to receive community pricing offer. These offered rates may increase or decrease slightly. In the case of a significant change in product cost, SPP reserves the right to make an adjustment in the price in order to maintain a high quality of service and safety.*
